## **SPONSORSHIP FORM**

*Money for the Bunnies:* Sponsorship of this event will support **Eastern Shore Rabbit Rescue and Education Center, Inc. (ESRREC)**, a 501(c)(3) charity located in Rock Hall, MD. In the four years since we opened our shelter for abandoned pet bunnies, we have taken in 225 rabbits (strays, owner surrenders, and transfers from county shelters; also includes babies born in ESRREC care) and found new loving homes for nearly 170 rabbits. We ensure that each rabbit is spayed/neutered, litter box trained, fed a proper diet, and in good health before they are adopted. We also carefully screen adoption applications and educate first-time rabbit owners. ESRREC is 100% volunteer-based. Our largest expense is veterinary bills, typically around \$12,000 per year.
